DOUG AND JANETTE

Just 2 hearts intertwined with the heart of God, thus a cord of three strands that cannot be quickly torn apart, (Ecc 4:12).

God began preparing Doug and Janette yrs. ago, uniting their hearts and giftedness to found You Discover Truth ministry. The mission: to bring the Word of God, in a fresh new way, to those who were fighting for time to 'Discover Truth For Themselves.' With no technology background or knowledge, they took a leap of faith as God's instruments to develop the unique youdiscovertruth App. Truly a miracle! An awesome tool for anyone, anywhere, anytime!

Doug and Janette have one daughter, and all 3 are living testimonies to the power of God. Knowing that it was nothing but the Word of God through the Spirit that changed their lives. Thus, Doug and Janette's passion and burden is for others to experience God as they have. Their hearts desire is to help others learn to hear God's voice in His Word, coming to know the One True God and Jesus Christ whom He sent, (John 17:3). And be transformed into the image of Christ, (Rom 12:2).

As they think of three strands, they give all praise, honor, glory and thanks to the three persons of the trinity - God the Father, God the Son (the Lord Jesus Christ) and God the Holy Spirit, their joy and reason for living! Together they have over 50 years of combined Bible ministry. They both owe their lives to the Word of God. That is where they met, and have come to know their God and Savior, Jesus Christ. Sharing that miraculous event and the transforming power of the Bible with others is their hearts desire. And their mission in life.

Doug has served as U.S. Headquarters Leader of International Bible Society. He has traveled the world over advancing the Kingdom with the Word of God with individuals, teams and ministries. In the secular world he has owned companies, innovated technologies, been a leader in a Fortune 50 company, a consultant and board member. The lesson continually learned – what matters most is that people get to know/walk with Jesus, apply His truth to their lives and be transformed. Everything the world has to offer pales in comparison to the amazing journey with the King of the Universe.

Janette, learned early on that any old bush will do. God doesn't care about our abilities, but He does care about our availability. So 31 years ago, with much fear and trembling she obediently stepped out in faith to lead and teach men, women, young adults and children the Word of God. With the training of Precept Ministries International, learning the inductive method of reasoning the Scriptures, and Doug's career moving them throughout the country, Janette obediently would begin studies wherever God took them, usually moving them on when the classes filled up to over a 100. She continues to make disciples and raise up leaders, training and teaching the Word of God, and accepting various speaking engagements throughout the country.

We pray that you will commit to at least 10 minutes a day to be with God in His Word, hearing His voice to you personally. And as a result, you will be encouraged and strengthened in your faith, understanding how to live it before God and others.
