

# Step 2 - Take a LOOK

GODcha's Discovery Consists of 3 Parts:

**LOOK, LEARN** and **LIVE**.

Helping you:

1. **LOOK** at what God *says*.
2. **LEARN** what God *means*.
3. **LIVE** it out – *apply* what you learn to your life.

## LOOKING

This is The Phase Most of Us Skip!

We live in a quick fix, instant society!

All of us are busy, busy, busy.

Thus. . .

We RUN to MAN,  
instead of GOD!

We LISTEN to/and or read the discoveries /works of MAN  
instead of doing OUR OWN discovery,  
instead of LISTENING AND HEARING what God wants to say to us personally!

**Problem:** Man might be **RIGHT**, BUT man might be **WRONG!**

**How Do We Sort TRUTH From ERROR?**

**MUST SEE** 'what God *says*' for ourselves.

**Problem:** Running to man, clouds our understanding, and we can walk away with assumptions such as:

what we *believe*,

what we *think*,

what we *feel*, and/or

what *someone else has said*.

What **MATTERS** is what **God SAYS**, period!
