

*"But realize this,
in the last days, difficult times will come. For men will be lovers of self...holding to a form of
godliness, although they have denied its power...always learning but never coming to the
knowledge of the truth." 2 Timothy 3:1-7*

*"Go therefore and make disciples of all the nations, baptizing them in the name of the Father
and the Son and the Holy Spirit, teaching them to observe all that I commanded you; and lo,
I am with you always, even to the end of the age." Matthew 28:19-20*

Disciple *mathēteúō*: a pupil/learner, teacher and follower of Jesus' doctrine.
A command requiring believers to do all three.

The **Reason** for You Discover Truth

Following the command to be disciples; *“Helping People Engage with God to Discover Truth.”*

From the beginning of time until this very moment, the greatest war ever waged has been against the Word of God. Today the video phenomena and Social Media platforms have created a huge growing deterrent to individual one-on-one time with God. Well-intended or not, this has adversely affected personal discipleship*, moving individuals away from a direct engagement with Jesus Himself, robbing them of the most incredible life-changing relationship of all. Maybe you know someone in that boat. We do, the war rages, and time is short. And so, You Discover Truth.

90% of the world’s population has access to a Bible, but surveys reveal; 90% that have one are asking for help to understand and apply it to their lives, in less time, but aren’t getting it*. When those needs aren’t met, individuals resort to other solutions, usually something entertaining. As personal trauma increases, people will go to the Bible for answers, needing help to understand it, and how to find and build a one-on-one relationship with Jesus. Our mission is to help with:

- Short attention spans – *engagement must be convenient, simple, and quick.*
- Relationship distractions – *relationship with Jesus only comes via a 1 on 1 with Jesus.*
- Mobility and cost – *free access on digital platforms to gain ‘Biblical mindshare.’*

The **need**: practical help to engage with God personally and relationally. [John 17:3](#)

The **problem**: the Bible is perceived as a difficult book not a real Person. [Hebrews 4:12](#)

Bible teachers in Thailand

Carissa: "I came back to Indonesia and now to Burma and the Golden Triangle to serve the Lord/teach the Bible to young people. I'm **EXCITED** about the app, no books to carry! I have LOGOS and hate using it- but love this!! *I truly feel the ground swelling with those eager to understand HIS WORD!*" They gather on their own at the 7/11, where there is wifi.

A man in Peru

My usual one-hour bible study turned into a two-hour festival of knowledge this morning...thanks to You Discover Truth. I have already sent it out to several pastors and will be announcing it on our Facebook and donor list.

A family in the U.S.

We created a Facebook page, "Families Discovering Truth" using the app. So, we'll go through Philippians in July and Colossians in August. I will ask them questions from the app to reflect on and ponder. I can facilitate and the Holy Spirit can teach! Wow, 548! I just use the app for feedback, easy, it's just God's word.

What others are saying

- What fun it is to be able to touch the definition of "hope" in the app, learn what it really means and include it in our conversations with friends and family. TK
- So much gray out there these days, I am thankful for the truth, and this app. It sure takes the drama out of the conversation. JT
- I used the app just today as I spent time with a client of mine who wanted to meet with me to tell me that she is going to divorce her husband who is a CEO of an oil company here in town. She wanted me to counsel her as where to go from there. I spent 3 hours with this lady and used the app constantly. I used the word definitions to describe to her the Words of God. I didn't want to use my Words, but God's. I used cross references too. The app helped to get her to reconsider her decision. In the parking lot, she told me that I may have just saved her marriage. I doubt very much that I did that. God used me and with the help of the app, I was able to stay true to the words. I left thanking God for His Words and for the app as my tool. SC
- WOW and God is AWESOME! So cool. My friends love this! JH
- I have been studying Psalm 91 on vacation and was amazed to see 4 different names of God in the first 2 verses, and it's soooo easy with the app. All names right at our fingertips while on vacation. AN
- This will definitely make me a better leader for my group. This is helpful and I'm learning so much – DG
- This app has helped me a lot in understanding what the Scriptures say (having the ability to define confusing words or looking at cross-references or the LIVE questions). It has also helped me with note taking! I can now take notes as I'm reading, as opposed to not taking notes at all if I forget. ZK

The Realities – real needs create real opportunities.

The Requirements – *simple, practical, straightforward*

"So then, none of you can be My disciple who does not give up all his own possessions." Luke 14:33

Responding to God's call, Doug and Janette Hamm, after 30+ years (and counting) of continually striving to learn how to inductively look at, learn from, listen to and live out God's Word, in 2017 established the 501c3 ministry, You Discover Truth, called with the single mission for others to experience firsthand the power the Word of God has to impact individual lives on a daily basis.

Through 2022, over 100,000 man-hours have been invested in the development of the GODcha Bible Guide. Yes, building a mobile app has been, and is, costly. But by God's grace, many 'like-minded' partners have contributed both in labor and finances to make it happen.

Today, YDT is debt free. AND 100% of all donations go toward advancing YDT and GODcha.

The Future:

- ~ The GODcha Bible Guide has completed major updates, released in March 2023.
- ~ YDT maintains a low overhead and low operating cost structure, making all donations impactful.
- ~ YDT offers GODcha for FREE, trusting that; a) lives will be changed, b) God will be honored.

The need is great, time is short, but the Good News is – distribution costs are incredibly low compared to traditional means. For example, shipping one Hebrew dictionary, or a book study (GODcha has 66 of them) to a foreign land costs in excess of \$50. YDT gets dictionaries plus ALL of the other GODcha resources to anyone in the world for FREE. Eliminating all sorts of obstacles.

Future investments to reach and help individuals around the world are primarily digital marketing, training, content enrichment, and software support and updates. For example:

- Digital Advancement: social media, new outlets, expanding channels and platforms.
- GODcha translations for global discipleship.
- Server, software, APP support, and backup.
- GODcha ongoing content enrichment.
- Training. Train the trainer (personal, digital, indirect, video) content and resources.
- Ministry partnerships around the world.

Opportunities are endless; the only limitation is hearts to help make this resource available!

PLEASE PRAY ABOUT JOINING US IN GOD'S DESIRE and JESUS' COMMAND TO MAKE DISCIPLES!

You can GIVE to YDT on the GODcha website. Together we will impact lives for eternity.

We welcome your feedback!

YDT's mission is to reach millions of people BEFORE Jesus returns, which seems right around the corner. The only limitations are financial resources to advance GODcha Bible Guide placements.

We pray that 'making disciples' is your mission too. Prayerfully consider joining us in
